(b) what is the total investment made by Government in the State during the Eighth Five Year Plan period in comparison to Seventh Five Year Plan period in this respect; and

(c) what effective measures are being taken by Government to increase the small and medium scale industries for creation of more employment for local people in the State?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) to (c) Union Government do not make investment in small and medium scale industrial units in any State/Union Territory. However, Government have taken a number of measures for the promotion and development of small and medium scale industrial units through the schemes/programmes like Tool Room and Training Centres, Product-cum-Process Development Centres, Entrepreneurship Development Programme, Prime Minister's Rozgar Yojana, Integrated Infrastructural Development Scheme etc. in the country. These schemes help small scale industries in all the State/Union Territories including Uttar Pradesh. The funds utilised in the State of Uttar Pradesh in the implementation of specific projects during the first three years of Eighth Five Year Plan come to Rs. 9.06 crores as against Rs. 5.95 crores during 7th Five Year Plan. Besides, State Government also is having a number of schemes/programmes to assist small and medium scale industries. The 8th Plan outlay for Village and Small Scale Industries Sector of Uttar Pradesh is Rs. 261.20 crores against an outlay of Rs. 171.59 crores during 7th Five Year Plan. Under the Growth Centres Scheme, an amount of Rs. 4 crores was released to Uttar Pradesh for setting up 7 Growth Centres.

The measures taken by Central Government supplement the efforts of the State of Uttar Pradesh in encouraging the establishment of small and medium scale industries to generate more employment for the local people.
